

FICHE DE DONNEES DE SECURITE

ROUGE ZEMENT

Material Safety Data Sheet (confirming b 91/1 55/EEC)

Date of issue: 08-01 -2004 Vers: 1.0 page 1 of 4

Commercial product name: V3000023 precolor Zementorange

Product number: V3000023

1. Identification of the substance! Preparation and the company

1.1. Commercial Product Name

V3000023 Precolor Zementorange

1.2. Distribution

STE DES OCRES DE France

Impasse des Ocriers

84400 – APT – France

00.33 (0)490.746.382

info-distribution@ocres-de-france.com

2. Composition / Information on ingredients

Preparation of inorganic pigments.

Hazardous ingredients: none

3. Possible hazards

Critical hazards to man and the environment: none

4. First aid measures

Seek medical treatment when anyone has symptoms apparently due to inhalation or swallowing.

If required, consult a doctor and show this sheet.

skin: wash with water and mild soap

eyes: flush with plenty of water for 15 minutes

breathing: fresh air, if required medical treatment

swallowing: drink a lot of water, get medical attention

Material Safety Data Sheet (confirming 10 91/1 55/EEC)

Date of issue: 08-01 -2004 Vers: 1.0 page 2 of 4

Commercial product name: V3000023 Precolor Zementorange

Product number: V3000023

5. Fire fighting-measures

Suitable extinguishing media: water spray, carbon dioxide (CO₂), foam, dry extinguishing media. Special protective equipment: In case of fire, wear a self contained breathing apparatus.

Further information: Dispose of fire debris and contaminated extinguishing water in accordance with local regulations.

6. Accidental release measures

Personal precautions: Sweep / shovel up to prevent slipping.

Methods for cleaning up: Sweep / shovel up.

7. Handling and Storage

Handling: Avoid breathing dust and use with adequate ventilation. Provision is required to keep exposure below permissible limit.

Storage: Keep containers tightly closed in a dry, cool and well-ventilated place. Keep away from food, drink and animal-feeding stuff.

8. Exposure controls / Personal protection

Additional information on the lay-out of technical plant: sec 7.

Components with workplace control parameters: none

Personal protective equipment: Eye protection: goggles

When using do not eat, drink and smoke. Wash hands immediately after handling. Observe usual precautions when handling chemicals.

Material Safety Data Sheet (confirming b 91/1 55/EEC)

Date of issue: 08-01 -2004 Vers: 1.0 page 3 of 4

Commercial product name: V3000023 precolor Zementorange
Product number: V3000023

9. Physical and chemical properties

Tested in accordance with

Form : powdery

Colour : orange

Odour : odourless

Density : ca. 2,4 g/ccm ISO 787/10

Vopour press. : n. a.

Viscosity : n. a.

Solubility in

water : insoluble

ph-value : 5.8 150 787/9

Flash point : n. a.

Ignition temp. : n. a.

Explosive limits : n. a.

n. a. not applicable

10. Stability and reactivity

Hazardous reactions: None provided product is correctly processed.

No decomposition if stored and applied as directed.

11. Toxical information

Acute toxicity:

The product contains several components to which the following data apply:

[D 50/oral/rat: > 5000 mg/kg

Primary irritation (skin/eyes): non irritant

Material Safety Data Sheet (confirming b 91/1 55/EEC)

Date of issue: 08-01 -2004 Vers: 1.0 page 3 of 4

Commercial product name: V3000023 precolor Zementorange
Product number: V3000023

12. Ecological information

Elimination information: The product is not very soluble in water and can thus be virtually

Removed from water mechanically suitable effluent treatment plants.

Ecotoxic effects: Due to its consistency and lack of water-solubility, bio-availability is unlikely.

13. Disposal considerations

Product: Must be dumped or incinerated in accordance with local regulations. Check for possible recycling.

14. Transport information

CCVSee Code: -

PC: -

CCVE/CCVS class: -

Déclaration for land transport: -

Déclaration for sea transport: -

Declaration for transport by air: -

Other information:

Not classified as hazardous under transport regulations.

15. Regulatory information:

Labelling according to EEC Directives: Not subject to labelling.

National legislation/regulations: Supplementary classification to German "Hazardous

Substances" legislation (Gefahrenstoffverordnung): Not labelling according to German "Hazardous

Substances" legislation (Gefahrenstoffverordnung).

Water hazard class: WCK (O) (Germany) (self-classification) (generally non water hazardous).

16. Other information

The data given here are based on current knowledge and experience. The purpose of this Material Safety Data Sheet is to describe the products in terms of their safety requirements. The data do not signify any warranty with regard to the products' properties.

Contaminated packaging: Lincleaned empties should be disposed of in the same manner as the

contents

Lincontaminated packs can be recycled
